NEED, Wintario grants help area municipalities

A number of Haliburton County and area municipalities and organizations will be benefitting from grants and programs sponsored by the federal and provincial governments.

According to Bill Scott, M.P. for Victoria - Haliburton, some \$45,000 has so far been earmarked for municipal projects in the county. This money is being made available through NEED program, jointly sponsored by the federal and provincial governments.

The county roads department is the recipient of

\$15,000. The money, which will provide some 84 man-weeks of work, will be used to employ six individuals on roadside improvement projects.

A similar amount of \$15,000 has been awarded to Lutterworth township. The program will see a number of improvements carried out to

existing buildings and structures owned by the municipality.

Snowdon Township will also receive \$15,000 from the NEED program. The money will be used to help combat erosion along the Burnt River. The project is expected to create 65 man-weeks of employment.

Receiving funding from another source, is the Ontario Wild Water Affiliation. According to an announcement from the Minister of Tourism and Recreation, Reuben Baetz, a capital grant of \$37,000 will be made to the organization for the construction of a training and competition centre at the Minden Wild Water Park. The money is being made available through Wintario. It is expected the improved facilities will add to tourism in

the area.

A grant of \$6200 is also expected for the Rails' End Gallery in Haliburton. The

money, from Wintario funds, will be used to improve the lighting and for renovations at the gallery.

A Wintario grant of \$8600 has also been made to the

municipality of Bexley. The funds will be used to install lighting and bleachers at the Bexley Legion Park baseball diamond.

Councillor suffers heart attack

Anson, Hindon and Minden township councillor Larry Cummins has been confined to the Etobicoke General Hospital after suffering a heart attack last week.

According to reports, the councillor and his wife Linda, were returning from a two week vacation in Mexico when the heart attack occurred. A number of nurses, travelling on the same flight with Mr. Cummins, monitored his condition as the plane returned to Toronto. He was taken from the airport and immediately admitted to the intensive care unit at the Etobicoke hospital.

It is understood that Cummins would be transferred to the general care ward at the hospital earlier this week and may be released from hospital by the weekend.

Cummins was re-elected to the Anson, Hindon and Minden council for a second term, during the November vote. He is the operator of Highlands T.V.

Warna Blakey, left and Jenni Gentle, were two members of the Minden Figure Skating Club who helped carry the local team to the top in a weekend competition in Minden. They placed first in the novice similar dance class. See page three for a Minden team picture and turn to page nine for a complete rundown of results from the competition.

Agreement approved

An agreement has been reached between the municipality of Anson, Hindon and Minden and the township's reeve, Lyle McKnight for the exchange of property between Bobcaygeon Road and Anson Street. The trade will help facilitate the construction of a road linking those two streets.

on a water course allowance adjacent to building lot 11. The length of this portion to be 156 feet." As part of the agreement the township agreed to relocate the sewer lateral to a location acceptable to Lyle McKnight on building lot 1.

In return, Lyle McKnight agreed to give the township 66 feet frontage on Anson Street, now part of building lot 1, to connect with the existing road allowance in the most direct manner possible according to municipal roads department for use as an alternate continuation of the road allowance. The council also agreed to accept all costs arising from the severance, sewer relocation and legal transfer.

It is expected that construction on the new road should begin this spring.

Garnet Graham, a magician from Fenelon Falls, was the special guest at the annual Beaver, Cub and Scout parent banquet last Wednesday. Garnet entertained the members of the Minden troop with a variety of tricks and puzzles. Jeremy Phillips was one of a number of volunteers chosen from the audience to assist the prestidigitator.

Jamie Wooden and Wendy Sicard carry the leading roles in the HHSS student production of the Pajama Game. The musical features an all-student cast, orchestra and crew. The show will be presented at the high school auditorium this Thursday, Friday and Saturday evening. Curtain is 8 p.m.

Timely tracking traces thieves

Constables Bryan Bowers and Mike Legge displayed tracking talents which even Tonto would envy, in apprehending two suspects after following day old tracks.

Bowers and Legge followed the impression left in the snow by a stolen snowmobile on March 5 a day after a cottager on Long Lake in Dudley township discovered his vacation home had been broken into. At one point, a set of footprints, matching those made at the cottage, left the snowmobile tracks and led to a nearby cottage where most of the stolen items were recovered. Police continued their tracking and the stolen snow machine was overtaken.

As a result of this intrepid trailing, two person were arrested. Charged with break and enter, possession of stolen property and theft of a snowmobile are Thomas Watman, 31, of Pickering and Renee Moncion, 19, of Dudley township.

Haliburton accident

A pup trailer loaded with logs crashed into a tanker truck in Haliburton last Thursday.

Albert Evans, 38, of Orillia, was driving a tandem stake truck with the pup trailer attached up Maple Avenue in Haliburton. The trailer slipped its hitch and began rolling backward. It crashed through a closed gate and struck the parked tanker truck owned by Giles Connelly of the village. Damage to the tanker amounted to \$1,000.00.

Investigated by P.C. Mike Legge.

Minor injuries

A Havelock township woman received minor

injuries when her 1972 Pontiac slid off the road in some slush in a March 4 accident.

Ruth Wichsey, 25, was driving on County Road 7 in West Guilford when she lost

control of her car while rounding a curve. The car ran off the road and collided with some trees and received \$2500 damage.

Investigated by P.C. Mike Legge.

Seat belts use helps reduce deaths, injuries

Seat belts save lives. It is a slogan heard often these days to support the use of personal restraint systems within cars. The truth of the slogan appears to be clearly demonstrated in the statistics released recently by the Ontario Provincial Police.

According to figures compiled by the provincial agency, traffic fatalities were down in 1982 by 20% over the number recorded in 1981. While there were also 6% fewer collisions, Constable Gary Chapman of the Minden wearing seat belts.

The trend across the province is reflected in statistics compiled for the Peterborough District of the Ontario Provincial Police, of which the Minden detachment is a part. In 1981 a total of 69 individuals were killed in highway accidents in the district. The total dropped to 53 in 1982.

Not only has the use of seatbelts helped to reduce the number of fatalities, Constable Chapman credits their use with reducing the injuries sustained in accidents. In particular he noted this week that drivers involved in roll-over accidents

who are wearing seatbelts tend to suffer fewer injuries. He pointed out that in addition to not being thrown around inside the car, the seat belts help keep a driver in his seat where he has the best opportunity to regain control of the car or help minimize the seriousness of the collision.

"It is heartening to note that, due to increased use of seat belts, most of the roll-over accidents in the area result in little or no injury," Chapman stated.

Chapman feels these statistics point out the benefits that wearing seat belts can have for everyone in a car. He also notes, for those who are reluctant to put on the belt, that there were 29,034 charges laid during 1982 for drivers and passengers failing to wear the complete seat belt assembly.

Reduction proves point

An interesting item crossed our desk recently regarding traffic fatalities and injuries. According to statistics compiled by the Ontario Provincial Police, the number of highway fatalities in the province has dropped 20 per cent. A portion of that reduction can be attributed to an overall six per cent drop in the number of collisions taking place. However, the fact is that highway fatalities have hit a six year low. The 1982 figure was 728 compared with a high of 989 in 1979. All other years between 1977 and 1981 recorded over 900 fatalities.

The substantial reduction in 1982 could be attributed to a number of factors, including the depressed economy. Police have also identified the use of seat belts as the major factor in the reduction.

It doesn't seem that long ago that the seat belt debate was raging across Ontario. While much of the controversy centred on the right of government to force individual citizens to buckle up, some serious questions were raised about the value of seat belts at all.

The civil rights question is, as yet, unresolved, but the dramatic drop in the number of fatalities appears to confirm that seat belts do save lives. As to whether the government should be able to force its citizens to buckle up - we point out that while not wearing a belt may be a matter of personal choice, the individual who chooses to do so, and suffers injuries as a result, becomes a burden on us all through the provincial health insurance scheme.

We believe the value of seat belts has been proven in the reduction of lives lost in 1982. The government has been vindicated in its stand that has resulted in the mandatory use of seat belts.

Editor:

Congratulations to the coaches, Jane Symons and Andrea Burk, as well as the Minden Figure Skating Club for producing a tremendous effort in winning the Inter-Club Cup on Sunday.

Special appreciation, and a perfect 10, should go to the mothers of the Minden Figure Skating Club who produced a fine show and logged some very long hours in making sure the day went off without a fall. Well done.

I do not take my position as a member of Council for Anson, Hindon and Minden lightly. I hope never to make statements at Council that cannot be substantiated in fact. Therefore, I am looking forward to Thursday, March 10 and the visit to Council by the manager of the County Chamber of Commerce. At that time, at Council's pleasure, I will be happy to substantiate all criticism I have made over the past few weeks. It was intended as constructive criticism and unfortunately has been countered with a standard bandaid reply "...it sounds like the

old Haliburton/Minden thing again..."

I resent the petty implication such a response by the Chamber gives to my motives. I believe there is a legitimate perspective to offer that adheres strictly to sound business practice and the Chamber's own stated ideals. My documentation will rely upon names, dates, locations, and amounts - not hearsay.

As a councillor representing the interests of Anson, Hindon and Minden ratepayers, I can do no less than argue such an obvious case to the best of my ability no matter how unpopular it may be in some quarters of the County.

Gary Kenney,
Blairhampton.

Editor:

On March 4 at Minden arena I attended a hockey game between the Minden Juveniles and the Thornton Juveniles. Instead of seeing a hockey game I think I attended a boxing match.

The whole game was riddled with penalties (the majority taken by ex-Haliburton Huskies).

If the Minden team cannot ice a team made of the original players that started the season why bring Huskie players (who couldn't even help their

own team win) down.

One "Huskie" took four penalties and Thornton scored on 2 of those power plays. All the penalties taken in the first two periods were by "Haliburton Huskie" players.

The refereeing wasn't the best either. They seemed to lose control of the game around the middle of the second period. I thought that maybe the break would quiet the teams down and the third period would be a good clean catch-up game. But it was just the opposite. Both teams were out for blood. Thornton drew it by giving one of Minden's players a check to the head. He was on the ice for 5 minutes and he was very still. Instead of being concerned about their teammate, the whole Minden team cleared the bench to "brawl" it out.

I don't know the results of who took what penalties, but it took the referees a good deal of time to sort the infractions out.

Minden started the season with 10 players and 3 goalies. But they still brought almost one entire line down from the "Haliburton" team. By doing this, 2 of the goalies and a player were told that they wouldn't get any ice time so they quit the team. On this particular night (March 4) all the "Haliburton" players were

playing but there were still 2 Minden players who didn't get to see any ice time until almost half way through the third period. They are as good as the Haliburton players. I don't think that Haliburton players should put Minden players out when it is supposed to be Minden Minor Hockey.

There is one person who should not go unmentioned for his ability to play hockey. That person is Rob McLeod.

Robbie is a good player and very clean. He is always in after the puck, no matter where it is. In one game I saw, whenever you looked you could see a number 6 shirt on the puck. Rob should be given credit for what he did on Friday night. While all the team was on the ice from the bench, Rob was still there and didn't move off it. If only there were more players like Rob, hockey would be an enjoyable game to watch.

The Minden Juveniles are always saying they need home town support. If they keep playing dirty hockey like they did on March 4, I don't think there will be any fans show up. We want to see a hockey game, not a boxing match — so clean your act up boys.

Diane Cowen,
Minden.

Rural task force formed

- by John Eakins, M.P.P. -

The Leader of the Official Opposition at Queen's Park recently announced the formation of a task force to study the problems facing rural municipalities. David Peterson has asked me to accept the chairmanship of this special task force, and I do so realizing the importance and the responsibility this will involve over the next year, and even longer.

While the demands on an elected member are always very heavy, I am sure that my constituents will be understanding that this added responsibility will mean visiting almost every corner of Ontario during the days and months ahead. As a result, it may at times be difficult to attend all functions as I have in the past.

I do hope, however, that by meeting with a broad cross section of the people of Ontario, we will be able to make constructive recommendations to the Legislature and to the people of Ontario that will result in improved opportunities for our more rural areas.

I look forward with anticipation to serving on this Task Force, for I believe that Ontario can achieve its future potential if the gaps between rural and urban residents can be bridged. The fruits of our efforts must be shared equally and we must find policies that unite rather than divide.

Other questions to be addressed:

How can we keep skilled labour in the small towns?

How can we make apprenticeship and manpower training programs more suitable to the smaller industrial facility?

How can we improve the revenue picture for small municipalities? How can we reverse the erosion of municipal government autonomy?

We need improved transportation between rural communities. How can we develop more effective and

viable links between smaller centers?

We need a workable policy on the locating of industrial facilities. How can smaller municipalities be assisted to more effectively compete for jobs and investment?

Rural municipalities need a stronger voice in government. How can we strengthen their political clout?

I will be reporting to you from time to time.

Show proves Gallery vitality

In a recent report to the municipal council, Anson, Hindon and Minden township councillor Gary Kenney described the Agnes Jamieson Art Gallery as "coming of age". The growth and stature which the gallery has attained was never more evident than last Thursday evening when the opening of the latest show took place.

The show features local artist Marta Scythes and is the most professional offering the Minden gallery has given the public in some time.

Scythes has taught herself much of her craft. She has been interested in art, "all my life" and after high school enrolled in the crafts course at Seneca College. She filled out her schedule with painting and drawing classes during her first year. Her second year she spent basically free of teachers. The programs with sculpture and print making were being phased out of the college so any instruction was negligible. "I ended up teaching myself print making. I bought a book and just started to print. The teachers left as part of the phasing out process," Scythes explained.

In fact, "I ended up doing some teaching. That's where I really learned I liked teaching". Since that time the artist has taught five courses, three for Sir Sandford Fleming College and two for the Haliburton Guild of Fine Arts.

Besides her influence on aspiring area artists through the classes she has held, Marta has left a more permanent indication of her ability at the Leslie M. Frost Natural Resources Centre. She painted a wall mural there, mounted a snowshoe display and assembled a slide show for the facility.

Surprisingly, this is Marta's first solo show. "I participated in a weekend show at the Guild in Haliburton about two years ago," she said.

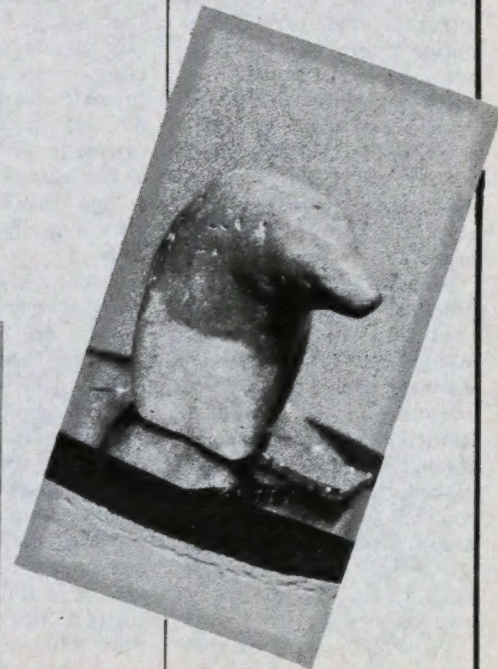

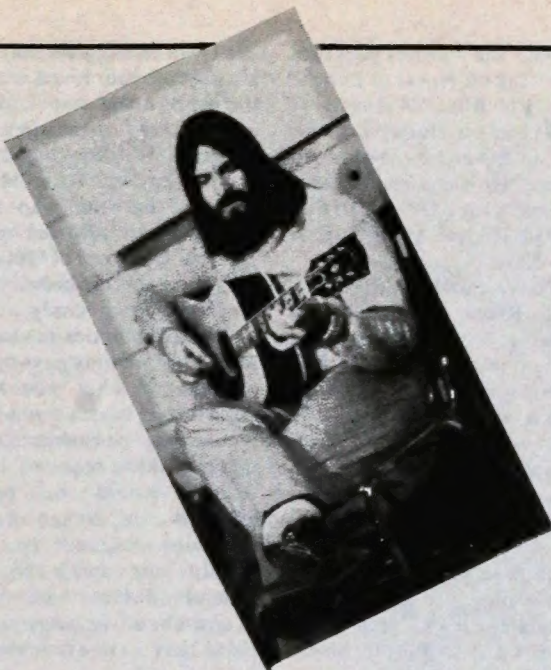

With all the positive feedback from her first show Marta has received enough encouragement to seriously consider a career in art "and hopefully have a show in Minden next year."

The works at the Jamieson Gallery are traditionally in nature. Scythes feels more comfortable with realism and her art has a predominance of gentle watercolour landscapes. Watercolour is her favourite medium because "oils give me a headache and acrylics don't shine. It usually takes years to develop oils," she commented, "and a well ventilated place to work in is absolutely necessary for me. I'll take them up when I have time."

However, she covers a wide range of media including etching, inks, oils, acrylics, pencil crayon, bronze, limestone and more.

Scythes says she has tried "modern art" but is satisfied with more conventional creations. Her patrons must be satisfied as well, judging from the amount of work on loan for the show.

The work of Marta Scythes continues until March 26 at the Minden Art Gallery.

Wooden quilts part of Rails' End show

A wooden quilt?

The Rails' End Gallery in Haliburton opened a display of quilts last Saturday afternoon and among the many beautiful efforts are Alan Skeoch's wooden quilts.

The more conventional quilts are in the main show room at the gallery. Submissions from around Ontario are on display. There are five from local quilters. One of the quilts presented from another part of the province, black bordering vibrant rainbow colours has a price tag of \$4,000. In all, 24 quilts are on display.

The afternoon was high-

lighted with a film attended by about 20. The film, titled "Threading through Time" discussed the direction of quilting. It featured five Ontario quilters, most of them doing contemporary quilting.

While the traditional quilts drew a great deal of attention,

it was the wooden quilts which created the most interest. Their creator, Alan Skeoch, lives in Mississauga and is head of the history department at Toronto's Parkdale Collegiate.

He has a passion for history. His Ph. D. was on

agriculture in Ontario and he belongs to a group dedicated to restoring old buildings. During the past year he wrote three books, one of which is used as a text by the ministry.

Skeoch labels his earthy wooden creations as quilts because he gathers his materials from old barns and torn down buildings, using pine flooring and cedar from fences as well as other sources.

The quilts presently at the gallery are well worth taking in but don't forget Alan Skeoch's unusual contribution. The quilts will remain on display at the Rails' End Gallery until March 26.

This is going to be a short column this week because we are rushing off with 30,000 brochures to Toronto for the S.M.I. Program. S.M.I. stands for Strategem Media Incorporated who operate attractive literature distribution centres in supermarkets all over Ontario. Our brochures will be distributed from 125 of these centres in and near Metro over the next several weeks and the resulting inquiries on the Highlands should keep our office humming.

Along with the 30 thousand brochures we had to have 30 thousand inquiry cards inserted into the last fold of the brochure. This job was entrusted to the Arc Industries Workshop in Haliburton and they accomplished it in only two days. If you have a similar problem or project contact Bob McLagan at 457-1452 and he will be pleased to discuss the details with you.

Incidentally Arc Industries moved this year from the Lakeview Centre to their new quarters next to the Legion. They are presently setting up an attractive showroom at that location where they can display and sell some of the fine wood products they produce. Watch for their open house later this month.

This and That

Congratulations to Chamber Director Dennis Casey who just tied the knot this weekend with Roxanne Casey (nee Campbell). Dennis also became a radio "celebrity" this week after being interviewed on C.K.L.Y.,

C.H.A.Y. and C.B.C. Ontario Morning about our new Hospitality Training Centre. We understand Dennis was even signing autographs at the wedding.

Good to see John Teljeur of Deer Lodge home from the hospital after suffering a heart attack. John had nothing but praise for the staff at our local hospital after being treated so extremely well. He also says he has learned a lesson and is going to work less and enjoy life and family more. Go for it John.

A couple of members bringing new members into our world recently are both Marg and Ken Fielding and Patti and Paul Prentice with baby girls. Hearty congratulations and we note there is no increase in their membership fees until the kids grow up and start working for dad.

Major improvements took place this winter at the Kozy Corner in Haliburton with a complete new interior decor. Both Minden Home Hardware and Black's Home Hardware have also undergone big changes with a complete re-merchandising program from the "Home of the Handyman".

Bud Kirchner is expanding his hayride business and is booking his horses and rubber tired wagon into the recreational programs of quite a number of resorts and camps, both winter and summer. He can run the ride from his farm or your property - whichever suits you best, — and speaking of horses, Mary Jane Irwin of Rockwood Farm is running far more than just a riding

stable - she features packages like "Take a Horse to Lunch" for \$15.00, "Wilderness Weekend on Horseback" for \$95.00 and an hour a day for 5 days "Horseman's Holiday Special", for \$45.00. Call Bud at 754-2530 or Mary Jane at 286-1208.

Congratulations to Sandy Lane Resort. We received a glowing letter this morning from one of their customers who just wanted to tell us how nice it was there and how well they were treated. For their troubles Sandy Lane now has a 2 month booking from this happy family.

Cash funeral plan no bargain

A mailing has recently been circulated in our area about "The Canada Purple Shield

Plan" which suggests that you should free your loved ones of the concern and cost of taking care of your funeral when you are gone. The thought may be a good one but Gord Monk tells us that the plan they suggest is not endorsed by the Funeral Directors of Ontario, and there are far better ways to protect your family.

This plan is not insurance and therefore only pays out in relation to what you have contributed to date, which of course may be nowhere near what would be required. Individuals would be better advised to either carry adequate insurance for this purpose or speak to the funeral director of their choice about the prepayment plans they have available.

puck talk

Novice

The Minden Novice team is still waiting for play-offs to be arranged. The team did see some action Sunday as they travelled to Bobcaygeon for an exhibition game. They were defeated by their hosts 7 - 2. Jeremy Phillips and Aaron Hie scored the Minden goals.

Atom

The Minden Atoms have been eliminated in the first round of the play-offs, being defeated by Orono three games to one. The Monarchs dropped two during the past week to complete the series. The Minden squad now advances to the consolation round where they will be playing for the Muskoka Cup.

In the third game of the series, played Tuesday in Minden, Minden was shut-out 2 - 0. Orono scored in the first period as an unprotected Orono player standing in front of the Minden net batted the puck past the netminder. The other goal for Orono came in the final frame as the puck took a bad bounce at the side of the Minden net and slipped into the goal.

Wednesday, in Orono, Joey Boyle was the only Monarch to score as the team was downed 7 - 1. His goal was the first of the game.

Bantam

The Bracebridge Bantams have taken a two to one game lead in the consolation play-offs with Minden. The one game edge came as a result of a crushing 14 - 2 defeat to Minden Friday evening. Scoring for Minden were

David Schell from Andy Miller, and Andy Miller, unassisted. The fourth game in the series will be played in Bracebridge Thursday night.

Juveniles

In Minden March 4, third game - Minden 3, Thornton 8.

First period:

6:30 - Thornton came around the net and slipped the puck in the corner.

5:33 - Thornton - puck changed direction at last second.

4:22 - Minden - Kevin Warburton from Scot Hamilton.

3:38 - Thornton - Minden's Colin Newell made 2 or 3 saves but when his defense failed to clear the puck, Thornton scored.

2:09 - Thornton power play goal.

Second period:

11:14 - Thornton - power play goal (Scott Rae in the penalty box again.)

Third period:

7:29 - Thornton - puck took bad hop over net - Colin juggled it but he couldn't keep it out of the net - each team had 1 player in penalty box.

4:53 - Thornton - give a way in front of Minden goal - each team had player in penalty box.

2:39 - Thornton - Colin scored this one almost on his own - puck hit his skate and went in.

2:08 - Minden - Kevin Hamilton.

In all the Minden team did not put on a very good show. Injuries plagued them throughout the game. Thornton outplayed them on

all counts. Some of the ex-Huskies seemed to think they could best help the team by sitting in the penalty box - Scott Rae especially, who totalled 10 minutes in the first two periods (this was before the bench clearing in the third).

About the third period - the fans who counted Minden out at the end of the second period and went home, were smart. As far as Minden was concerned things went from bad to worse. As the injuries to Scot and Kevin Hamilton and Steve Smith and repeated penalties to Scott Rae, Fred Roberts and Scott Mitchell, started to take their toll on the two lines used by Minden, the play became very sloppy with give a ways in the Minden end. It was time for fresh recruits - the McKelvey brothers - Jim and John.

With about five minutes left in the game, Scott Rae was crosschecked in the throat area and went to the ice - while the officials were administering to Rae the first bout started at centre ice. First one McKelvey was involved, then two and then three as younger brother (from the stands) thought he should lend a hand as well. By now the Minden players' bench had cleared with the exception of one player who kept his head - Rob McLeod (he is the one who consistently gives 100% game after game).

For their efforts the McKelveys both left - John bleeding and Jim out for fighting. So as not to be left out Eldon Bull got involved in another altercation long enough to get a few minor penalties and a game misconduct.

The one bright spot of the third period was the individual effort of a hurting Kevin Hamilton as he scored

Scot Hamilton squares off against the Thornton goaltender in the last playoff game of the series held in Minden Friday. Thornton won 8-3 sweeping the best of five series

with 2 minutes and 8 seconds left to play.

Thornton wins the series in three games straight - or have they - Minden has registered a protest as they are question-

ing the residential status of 2 players (from Barrie) and one player is from an O.H.A. Junior team (apparently that is different than Minden using former Huskies).

In the meantime, Minden will enter the Consolation series for the Muskoka Cup.

Skaters win title

It was a red-letter day for the Minden Figure Skating Club Sunday as they picked up their first ever team trophy at the Kawartha - Highlands Twelfth Annual Interclub Competition. The announcement of Minden's win was greeted with cheers which reverberated throughout the arena.

The win held special significance for the Minden skaters as they were hosting the competition. Skaters attended from Bancroft, Fenelon Falls, Bobcaygeon, Haliburton, Lakefield and Lindsay.

The Minden club had an excellent day, with the pre-preliminary men A category swept by the home town as well as the pre-juvenile ladies. To cap the accomplishments, Warna Blakey and Jenni Gentle took the top spot in the novice similar dance, in spite of heavy competition from the strong Lakefield club.

The excitement of the day was tempered somewhat when Minden competitor Christa Irwin fell, suffering a pulled ligament. She was taken to the Minden Red Cross Hospital where she was treated and released the following day.

Here are the results from the Sunday competition:

Pre-preliminary ladies A, Gill Trophy, Lindsay: first Janis Kingdon, Lakefield; second Kendra Curry, Haliburton; third Rhonda Byrne, Fenelon Falls.

Pre-preliminary Men A, Kinette Club Trophy, Bobcaygeon: first Corbie Kent, Minden; second Hunter Obee, Minden; third Dan Garbutt, Minden.

Pre-preliminary Ladies B, Pinecrest Nursing Home Trophy, Bobcaygeon: first Karen Elstone, Haliburton;

second Tammy King, Fenelon Falls; third Janis Graham, Lakefield.

Pre-preliminary Men B, Boyce Family Trophy, Peterborough: first Jason Ingram, Bobcaygeon; second Jay Garbutt, Minden; third Nicholas Holliday-Rhodes, Minden.

Preliminary Ladies, Kinsmen Club Trophy, Minden: first Danielle LaRue, Haliburton; second Susanne Barrett, Bancroft;

third Dianne Garbutt, Minden.

Pre-juvenile Ladies, Coombs Trophy, Lindsay: first Abby Burk, Minden; second Lisa Box, Minden; third Julia Holliday-Rhodes, Minden.

Juvenile Ladies, Doughty Aggregates Trophy, Lakefield: first, Julie Currie, Bobcaygeon; second Michelle Barker, Bancroft; third Misti Campbell, Minden.

Pre-Novice Ladies, J. McColl Prentice Trophy, West Guilford: first, Sandy Schiffner, Lakefield; second Kristine Card, Bancroft; third Karen Shearer, Lakefield.

Novice Ladies, Haliburton County Trophy, Haliburton: first Janice Robb, Lindsay;

second Denise Trotter, Lakefield; third Angela Dunford, Lakefield.

Junior Ladies, Price Trophy, Lindsay: first Donna Hannivan, Lindsay; second Lisa Combs, Bobcaygeon; third Tracy McCormick, Bancroft.

Preliminary Similar Dance, Hollows Trophy, Lindsay: first Noelle Larue and Lianne

Scheffee, Haliburton; second Tara Rintoul and Tammy King, Fenelon Falls; third Cairnelee Buchannon and Leeann Howard, Bancroft.

Juvenile Similar Dance, Frank Welch Memorial Trophy, Minden: first Heather Dunford, Terri-Lee Jowett, Lakefield; second Tanya Willis, Janna Obee,

Minden; third Melanie Bartlett, Darlene Pigeon, Bancroft.

Novice Similar Dance, Mein Family Trophy, Lindsay: first Warna Blakey, Jenni Gentle, Minden; second Sandy Schiffner, Michelle McLean, Lakefield; third Karen Shearer, Shelley Mundell, Lakefield.

Preliminary Interpretive, Baker Family Trophy, Haliburton: first Lisa Dunford,

Lakefield; second Corinne White, Bobcaygeon; third Lisa Carr, Minden.

Bronze Interpretive, Canadian Tire Trophy, Bancroft: first, Lisa Coumbs, Bobcay-

geon; second Michelle Barker, Bancroft; third Kristine Card, Bancroft.

Team Trophy, Mary Edna Gordon Memorial Trophy, Bobcaygeon: Minden team with 23 points.

Sorry to miss the service in the chapel Sunday night, but to push a wheelchair up the stairs didn't seem just right. After the service was over Rev. and Mrs. Burgess came all the way downstairs to bring a special greeting and also lead in prayer. It was a real nice thing to do - we enjoyed it very much. We consider the Burgesses our dear friends and like to keep in touch. Rev. Westhaver of Minden United Church came and had a nice visit and offered a nice prayer - it was so good to have these people there. If some folks were hit like me they would take a fit, but I think it was God's way of telling me I must slow down a bit. Isn't it so nice that we are truly blessed with a lovely home and care at Hyland Crest, especially the nurses, we think they are grand. They come each day they say to check your pulse, but I think it's to hold your hand.

So no matter what befalls you,

Just greet it with a smile,
After all isn't that what

makes life worthwhile?

So whenever you're in trouble

It will vanish like a bubble,
If you'll only take the trouble to S-M-I-L-E.

Tuesday morning Rev. George Elliott of the Anglican Church in Minden held a Communion Service in the chapel this lovely March day. Barbara came to sing and Agnes to play. After the sermon was over the girls came down to sit and tell us all the news and cheer us up a bit.

Tuesday afternoon was Bingo time. The day was nice and sunny. I didn't hear anyone say they won very much money. Tuesday night Kathy Owens came all the way from Lake St. Nora to join her brother-in-law, who lives near Green Lake Shore. After both working hard all day they came to Hyland Crest to entertain us royally and give us of their best. We like to hear Earl play snappy tunes on his fiddle, like allemande left in the corners all then fall to the middle. Then Kathy too accompanies

Earl so well when she plays the accordion it sounds really swell.

The ladies in the craft room are under quite a strain, Teddy Car has finished another model train.

Alfred Richardson had a birthday on March the second day. Just how old Alfie is I didn't hear him say. But he thinks he will get married, then he'll surely know what to do when he is through with all his surplus dough.

The A.C.W. ladies from Maple Lake on Thursday afternoon, came down and served a nice tea party in the sitting room. Down the stairs they sent a plate of delicious food, and a darling baby that

was so good. We were having such a happy time, and the baby was so sweet, we forgot all about the good things we were supposed to eat. By the way, not to leave you in the lurch, it was the Elliott's baby of Minden Anglican Church.

We thank Mr. and Mrs. Eldon Deacon for supervising Thursday's Bingo.

Friday afternoon was the World's Day of Prayer here at Hyland Crest. With a good attendance we were surely blest. There is something hard to comprehend, why women only, why not men?

You are getting old when you don't care where your spouse goes as long as you don't have to go along.

A quote from Larry King, radio and T.V. personality. My earliest memory in radio, he says, is Arthur Godfrey. He was the greatest. You could always feel him talking to you and he was always a rule breaker. (My former husband was a winner on the Arthur Godfrey show). You have to be a rule breaker in order to achieve your goal. You have to be a maverick and speak your mind as does William F. Buckley. He is controversial - you never know what he is going to say, but he is most interesting - he can blow your mind with his intelligence. This is the kind of thing radio and television should consist of - something to stimulate the mind! Make you think! I only wish there were more of these people - stimulation is what we need, definitely not apathy in any field of endeavor.

A great listening experience - Gustave Holst's Symphony, The Planets conducted by Herbert Von Karajan.

Poetry is the renewal of words forever and ever. Poetry is that by which we live forever and ever unjaded. Poetry is that by which the world is never old. Even the poetry of trade names gives the lie to the unoriginal who would drag us down in their own powerlessness to originate. Heavy they are but not so heavy that we can't rise under them and throw them off! Robert Frost.

All best wishes to Steven Zeller of Minden and Pat Irving of Haliburton, and all participants, in their endeavor to help one parent families. The group is being formed in an effort to assist single parents in coping with special problems related to raising children when only one parent is in the home. It is also aiming at a program of family and adult activities, both educational and social. This organization will meet regularly and will include speakers, panel discussions and social activities. Their first meeting takes place in the Municipal office in Minden. Contact Steven at 286-3269 or Pat Irving at 457-2423 for particulars. I wish you all the best.

Mrs. Sy Pimm of Lutterworth Estates, arrived back from Clearwater, Florida in time for the arrival of her granddaughter, Brittany Rose. I am happy to report that mother and baby are doing well. Congratulations to the Paul Prentices and grandparents Pat and Sy Pimm, Bill and Lenore Prentice and great grandmother Lola Prentice.

The opening of local artist, Marta Scythes' exhibit at the Agnes Jamieson Gallery, last Thursday evening was very successful. There was a wonderful turnout, and

everyone concurs this is a very talented young lady. Anyone wishing membership in the Gallery may contact me at 286-2539. Single memberships are \$10.00 and for family \$15.00. The memberships are good from the time of registration to the same date the following year. The gallery is open daily from 3-5 Monday through Saturday. This exhibit will run until March 26. Do stop in and view this fine exhibit.

You are still in time to purchase those delectable confections in the form of Easter Eggs being made by the ladies of St. Paul's. Please call 286-1817 or 754-3161.

Welcome back to John Rockory who has just returned from a great holiday in Florida.

Vera Ward and Lillian Porter spent the weekend in Barrie attending a euchre tournament.

Mrs. Ada Duffy is visiting with the John Rockorys for a few days.

Mr. Lorne Sawyer of Maple Lake spent a few days with his son and family Mr. and Mrs. Bev Sawyer in Goderich.

On Sunday evening, my father and I had another delicious meal at the Fireside Restaurant.

A little anecdote on the creation of the Hoserburger, served at Harry's Snack Bar, Minden. On S.C.T.V. Channel 13 at 9 p.m., two fellows by the name of Rick Moranis and Dave Thomas had a skit on the great white north in which they called each other Hosers. From that Harry created the delicious concoction Hoserburger, consisting of top quality ground beef, Canadian back bacon, Canadian cheese, pickles, tomatoes, sauce, etc. It's the best burger in town.

At Hyland Crest, a very happy birthday and best wishes to Mary Harrison, Violet Young, Catherine Teasdale, Alfred Harrison, and Ralph Daniel who celebrate their birthdays in March. Many happy returns of the day to you all.

Keep in mind the Women's Breakfast to be held at St. Paul's on March 20. It will begin with a service of Holy Communion at 8 a.m. after which breakfast will be served by the gentlemen of the Parish. Won't it be nice to be served by the gentlemen for a change. Mark the date on your calendar.

Also, don't forget the piano concert being held at St. George's United Church in Peterborough on March 19 at 8:15 p.m. featuring the

Montreal born pianist Richard Gresk who will present an all Chopin-Rachmaninoff program. Tickets for the concert are \$7.00 for preferred seats, \$6.00 and \$4.00 for students. If you are interested in attending, please contact me at 286-2539. The date for my interview on CFMX-FM has been changed to Tuesday, March 22. I am beginning to get a little dizzy with the changes, but please bear with me. It is scheduled for 1:00 p.m.

Last Sunday I attended the Kawartha Highlands Interclub Figure Skating Show at the Minden arena, and it was a very enjoyable experience. These young people are to be commended on their skating abilities - they have all worked so hard. It was also a pleasure to see so many potential Donald Jacksons in evidence. Figure skating is hard work, don't let anyone tell you differently. It requires strength, balance and precision. I congratulate all the skaters who participated.

Last week, my daughter Yvonne in California, gave birth to a baby boy. Mother and baby are both doing well, I am happy to say. My love and best wishes to the baby, proud parents Yvonne and Jeffrey Kaufman and my granddaughters, Magdalena and Molly and grandson Maxwell. They are thrilled to have a new baby brother.

I am sorry to report the deaths of Mrs. Helen Burton from Carnarvon and Mr. Gordon Peacock of Kinmount. Our deepest sympathy to the members of their families.

The Thrift Shop at St. Paul's had a very good day last Friday. It will be closed now until the first of May for renovations.

Nettie Wilson of Lutterworth Estates unfortunately suffered a stroke last week, and Reg Welch also suffered a stroke. They are both in Civic Hospital in Peterborough and we wish them both the very best and a speedy recovery.

The Mini Card Party winners at St. Paul's last week are as follows: cribbage - Vera Ward, euchre - lone hands - Eleanor Pye - high - Hilda Harrison.

Free movies will be shown in the Common Room of the Minden Cultural Centre on March 18. Movies for adults will be from 2-3 p.m., and for children, 7:15 - 8:15 p.m.

The meeting of the Women's Institute has been postponed until March 23.

Little Leeanne Reynolds, daughter of Mr. and Mrs. Jim Reynolds of Haliburton was rushed to Sick Children's Hospital in Toronto. Leeanne is quite ill, but we all wish her well and a speedy recovery.

Mrs. Jean Hughes of Oshawa and her sister Mrs. Vi Doucett of Port Perry are holidaying for a week at their cottage.

Congratulations and best wishes to Mr. Fred Walker of Minden from all his friends who celebrated his birthday last week. He was feted by his wife and family at a delicious dinner on Sunday. Those present were his two daughters, Shirley Ann and Mr. and Mrs. Grenville Harrison (Doreen) of Peterborough and their family, also his son Mr. and Mrs. Ross Walker of Minden. We join in wishing Fred the best.

The annual Red Cross dinner will be held on Wednesday, March 30 at the Fireside Restaurant. The social hour begins at 6 p.m. Dinner at 7 p.m. Tickets for this event may be obtained from Paul Heffer at the Minden Drug Store. Tickets must be picked up by March 24. The tickets are \$10.00 per person. This promises to be a very enjoyable evening.

Hi kids! Instead of a word search we have a numbers search. Remember the numbers may read forward, backward, up, down, and diagonally. Never skip numbers.

Q: How do you know the ocean is friendly?
A: It waves.

Q: What do you get when you cross a great dane with a grape?
A: A grape dane.

Q: What kind of beans won't grow in a garden?
A: Jelly beans.

Q: Why did the baker quit making doughnuts?
A: Because he got tired of the hole business.

Q: Which trees come in twos?
A: Pear trees.

A: What keys won't open any doors?
A: Turkeys, donkeys and monkeys.

Q: How can you carry water in a net?
A: Freeze it.

Q: Why is it wrong to whisper?
A: It's not aloud.

Q: What kind of rabbit can jump higher than a house?
A: All kinds. Houses can't jump.

Take it easy. God bless you. See you next week.
